To readers,

**I absolutely

Also,
this Buddy

book.

Why?
I really love
drawing
kids!

So how deep
is my love
for them?

Someone
it ended up
being a com-
plete series.
It was really
enjoyable!

At first,
Buddy
started off
as a short
story.

So if you're the type who likes single fathers too,

or you've started taking them thanks to this comic, you're really happy.

Thank you so much for jumping into this comic and

He needs a rival.

Anyway, in the middle of drawing this Daddy Series, I thought

But in this world, I guess their relationship did "turn out slightly better" because they just have to work harder than "now" isn't?

He's (probably) become a good man in the future.

Then,

Don should have considered that!

For some reason, Don didn't take in the Dangan series very well.

Such a pity...

I'm a harbinger.

Speaking of Dangan Series,

he calls himself a harbinger.

Probably
something for
the future but
I do hope I get
to draw their
story, too.

If anybody gets
"oh, they're from
that book?" when
reading that, it'll
bring me so much
joy!

Even though
I couldn't reply
in, let's see, I wish
to let you know
that reading
them gives me
strength.

And to the
readers who had
been reading in
questionnaires
and your thoughts,
I thank you from
the bottom of my
heart.

Finally,
thank you so
much for reading
my until the
end!
